## READING PROGRAMS FOR ALL AGES!

### For Children (ages 3-11yrs)

Families sign up for an account on READsquared (R2), either as a family or for just the child(ren). Reading Programs are automatically assigned by age. Read for five days per calendar week and log those days in R2. Kids will receive a digital badge each week for logging their reading, for a total of six weeks. Each week you can come to the library to pick up a mystery prize bag. At Weeks 3 and 6 there will be drawings for 3 Noah's Ark Stuffed Animal kits to make at home.

### For Teens (ages 12-17yrs)

Teens can sign up for their own READsquared account or join as part of a family account. Reading Programs are automatically assigned by age. Read for five days per calendar week and log those days in R2, for a total of six weeks. For each week of completed reading, you will receive a digital badge AND be entered into a drawing for a \$15 gift card. If you complete a book each week, you can enter a book review on R2 to be entered into an additional drawing for a \$25 gift card.

### For Adults (ages 18+)

Adults can log their reading on READsquared as well, and each book recorded will count as an entry into our weekly drawings! Or you can ask for an entry form at the desk whenever they complete a book. After filling in the title, author, and their name (phone number on the back) the form can be placed in the drawing box. (Limit 5 entries per week.) Once a week, 5 forms will be selected at random to win prizes. The 1<sup>st</sup> form drawn will receive a \$25 local PV business gift card (each week will be a different business). The other 4 entries will receive a gift bag filled with goodies. Start reading the week on 6/29 so you can begin entering the week of 7/6. We will call the winners each week on the following Monday.

## OTHER SUMMER FUN!

### Summer Craft Kits (ages 3-17)

Registration for craft kits will open on the Monday of that week at 10am, in order to give everyone a fair chance to receive their preferred kit. **You can then come pick up that craft kit starting the following Monday. Limit one craft kit per child, per week.** If you happen to register for one of the bags and we have run out, we will substitute the other bag. If we should give out all of the original crafts for that week, we will update the page with a substitute craft kit. **We will make no other substitutions, and there will be no exchanges.** Once the crafts are completed, please send us a picture of the finished product via email or on Facebook so that we may make a virtual collage at the end of the summer!

### Virtual Story Times

Miss Julie will be recording fantastic fairytales weekly throughout the summer! Check our website each week for new video story times.
