Reading Programs for All Ages!

We will be using the READsquared website & App again this summer, or you may track your reading in person with our paper logs!

Can't remember your login? You can retrieve it on the R2 website.

For Children (ages 3-11yrs)

Families use their account on READsquared (R2), either as a family or for just the child(ren). Reading Programs are automatically assigned by age. Read for five days per calendar week and log those days in R2. Kids will receive a digital badge each week for logging their reading, for a total of six weeks. Each week you can come to the library to pick up a mystery prize bag. Each week there will be a drawing for a Noah's Ark Stuffed Animal kit to make at home. **Register and start reading 6/28 to collect your first prize bag the week of 7/6!**

For Teens (ages 12-17yrs)

Teens can sign in to their own READsquared account or join as part of a family account. Reading Programs are automatically assigned by age. Read for five days per calendar week and log those days in R2, for a total of six weeks. For each week of completed reading, you will receive a digital badge AND be entered into a drawing for a \$15 gift card. If you complete a book each week, you can enter a book review on R2 to be entered into an additional drawing for a \$25 gift card. **Start reading 6/28 so you can be entered into the drawings for the week of 7/6!**

For Adults (ages 18+)

Adults can ask for an entry form at the desk when they complete a book. After filling in the title, author, and name (phone # on back, please) the form can be placed in the drawing box. Limit of five entries per week. Once a week, 5 forms will be selected at random to win prizes. The first form drawn receives a \$25 PV local business gift card (each week will be a different business). The other 4 receive a gift bag filled with goodies! **Start reading the week of 6/28 to begin submitting forms the week of 7/6.** Winners will be notified each week on the following Monday.

Or you can use READsquared, either online or via the app, to submit your reading and be entered in to the weekly drawings!
