Summer Reading at the Pleasant Valley Library

Kids, teens, and their families are welcome to join us on **Wednesday, June 22nd** from 5pm to 7pm for our **SUMMER READING KICKOFF PIZZA PARTY!**

Sign up for our reading program either on paper or online using READsquared, enjoy some delicious pizza from Madison's Pizza Café, Amore Pizzeria, Bella's Pizza & Pasta, and register for our events, classes, and programs taking place this summer!

We are offering three special summer reading programs for all ages - this year’s theme is ‘Oceans of Possibilities’! Why not win prizes for the books you'll be reading?

**FOR KIDS**
3-11 years
Children can sign up and receive a paper log OR sign up online using READsquared to track their reading. Kids read/are read to five days per calendar week and track their reading. After five days of reading, they can come to the Library with their log to receive a prize bag!

**FOR TEENS**
12-17 years
Teens can sign up in person or online using READsquared to track their reading. For each week of completed reading (five total days per calendar week), they can enter into a drawing for a $15 local food gift card drawing. Finish a book? Once a week teens can enter a book review for a drawing for a $25 local food gift card as well!

**FOR ADULTS**
18+
Who said Summer Reading is just for kids? Adults can enter up to 5 entry forms per week- one for each book they complete- either at the Circulation Desk or online using READsquared. Then once a week five winners are drawn - one for a $40 gift card, and four for ocean themed prizes!

*All Summer Reading participants may track their reading either using READsquared online, or on paper - not both.*
